NOTICE

The following notice of intent submitted in accordance with R307-401-1, Utah Administrative Code (UAC), has been received for consideration by the Executive Secretary, Utah Air Quality Board:

Staker & Parson Companies, P.O. Box 27598, Salt Lake City, Utah 84127

Project Location: Various Locations Throughout the State of Utah

Project Description: Modification of DAQE-570-00 and DAQE-659-01 for Portable Aggregate, Asphalt, and Concrete Processing Equipment

These plants will emit all air pollutants at the rate of less than 100 tons per year.

The completed engineering evaluation and air quality impact analysis showed that the proposed project meets the requirements of federal air quality regulations and the State air quality rules. The Executive Secretary intends to issue an Approval Order pending a 30-day public comment period. The project proposal, estimate of the effect on local air quality and draft Approval Order are available for public inspection and comment at the Utah Division of Air Quality, 150 North 1950 West, Salt Lake City, UT 84114-4820. Written Comments received by the Division at this same address on or before June 20, 2003, will be considered in making the final decision on the approval/disapproval of the proposed approval order. Email comments will also be accepted at jblack@utah.gov. If anyone so requests to the Executive Secretary at the Division in writing within 15 days of publication of this Notice, a hearing will be held in accordance with R307-401-4, UAC.
